The Cavalier Armchair

£ POA

REF: 1386

Description

The Cavalier Armchair.

A very comfortable deep seated country house chair made using traditional methods and materials. Giving you the confidence that it will withstand the test of time.

.The frame is handmade in thick cut beech and raised on unstained walnut legs. A variety of other timbers and finishes are also available.

.The casters are lost wax brass cup cast from 19th century originals with an antique finish. These can also be in polished brass for a more refined look.

.The upholstery is fully traditional with a hand lashed sprung seat and back, both with feather pads for maximum luxury. Shown here in antique grain sacks.

Price. £3995 plus fabric.

8 meters of fabric is required.
