

DESIRED EFFECT ANTIQUES

19th century country house armchair in floral loose cover

Sold

Description

A good quality 19th century deep seated country house armchair raised on oak legs and the original casters.

The frame is in good solid condition and the loose cover is serviceable. The base upholstery is tatty but not an issue if you intend to keep the loose cover.

As with all my upholstered seating I do offer upholstery should you wish.

80cm wide
100cm deep
81cm high
38cm seat height
