Description

A shapely 19th century country house 3 seater sofa. Raised on short mahogany carved ball and claw legs and retaining its original needlework upholstery depicting country scenes and feather and down seat cushions. Unfortunately the arm fronts and one seat cushion have worn so this would need changing. The inside back, seat borders and front boarder are in good condition and could be reused. The front middle leg has lost a piece of carved trim but this will be replaced by our restorer before it leaves. Provenance. Tyne Hall, Bembridge, Isle of Wight 46cm seat height
