19th century gilt wood chaise lounge

Description

A good quality 19th century chaise lounge. Exquisitely carved gilt legs and a pleasing overall shape. A nice compact diminutive size which doesn't take up a huge amount of space which is ideal for a bedroom. There is wear to the gilt legs but I don't think it detracts a huge amount from the look.

We do offer upholstery so if you want this upholstering by us please get in touch.
