

DESIRED EFFECT ANTIQUES

19th century west country Windsor chair

Sold

REF: 1296

Description

A wonderful west country stick back Windsor chair. Constructed in ash and elm that's taken on a rather nice golden tone and patina. The egg and reel legs joined by a single H central stretcher. A single thick cut elm slab seat with a low hooped back.

56cm wide

50cm deep

96cm high
