

DESIRED EFFECT ANTIQUES

A matched pair of 19th century slipper chairs

Sold

Description

A curvaceous pair of 19th century slipper chairs. Although not a genuine pair these chairs are almost certainly by the same maker.

Both with different turned legs and casters but the same size and profile.

structurally sound and for upholstery.

As with all my upholstered seating we do offer upholstery should you wish.

53cm wide

78cm deep

74cm high

35cm seat height
