Antique English country house armchair

Sold

Description

A large deep seated 19th late century country house armchair. A very comfortable chair with the sprung seat, back and overstuffed upholstery. In good solid shape throughout however the current calico upholstery is in tatty conditions and does need changing however if you can live with the look it is perfectly usable.

If you would like this chair upholstering in your choice of fabric that suits your interior. Please get in touch to find out more 7 meters of fabric is needed.
