Antique Heals of London George III style armchair

Sold

Description

A large George III style armchair by Heals of London. The Heals of London plaque was on the base of the chair and is now attached back to the frame for when the upholstery is done. The frame of the chair is currently a little loose and it needs upholstery. If decide to get the work carried out by us then the frame will be rectified when the upholstery is being done.

86cm wide

82cm deep

118cm high

55cm seat height.
