Description

A cute little early 20th century 2 seater chesterfield sofa. Raised on mahogany legs with the original brass casters. The pink upholstery is in good condition but unfortunately the seat front springs have collapsed so the seat does require work, with the back and arms is good condition. We can fix the seat and retain the fabric should you wish to keep the pink velvet. As with all our upholstered seating we do offer upholstery should you wish. 41cm seat height
