

DESIRED EFFECT ANTIQUES

Antique Victorian pine clerks desk

Sold

REF: 1711

Description

mid Victorian clerks desk. Having wonderful red tones coming through the thick cracked glazed stain give it such an authentic look! It came from a mill in the shoddy town of Batley in West Yorkshire which just so happens to be where we are based. The stool was used with this desk and comes with the desk if you wish.

169cm wide

65cm deep

108cm high
