Antique walnut Bergere sofa

Sold

REF: 1698

Description

A fine quality petite walnut Bergere sofa, the cane work in perfect order with no holes or stretching. The crisp carving to the legs is exquisite! Unfortunately one of the seat cushions has a hole in the side boarder which I have taped up to stop the feathers falling out so ideally this needs upholster. Some water marks to the frame. Please get in touch if want me to get you a quote for the upholstery.
