Large country house footstool in glazed floral chintz by Liberty of London

Sold

Description

A large country house inspired footstool hand made using traditional materials. The frame hand crafted from beech and on walnut turned legs finished with lost wax Cope & Collinson brass casters. The tufted cushioned top hand stuffed with lush double scoured wool, locally sourced here in west Yorkshire. The fabric is a vintage glazed floral chintz by Liberty of London

We do also offer a bespoke service should want a specific size and fabric of your choice.
