

DESIRED EFFECT ANTIQUES

Late 19th century Campaign armchair

Sold

Description

An unusual late 19th century campaign armchair raised on removable mahogany legs and the original casters.

The arms and back are held in place by wooden dowels and with long decorative brass screws through the back and by the legs screwing up through the seat front.

For upholstery.

As with all my upholstered seating I do offer upholstery should you wish.

82cm wide
100cm deep
87cm high
37cm seat height
