Description

An unusual mid 19th century country house Chaise Longue. Raised on 4 turned walnut legs with the original gilt brass Cope & Collinson brass casters. English c1860Structurally in good order and shown here in pink velvet. The velvet is in usable condition however we would probably recommend changing is as it does show some signs of wear and from experience cleaning velvet can damage the pile. As with all our upholstered seating we do offer upholstery should you wish. 42cm seat height
