

DESIRED EFFECT ANTIQUES

Reserved 19th century Howard and sons Chesterfield chaise lounge

Howard & Sons

Sold

Description

A mid 19th century Chesterfield chaise lounge by Howard & sons - London. Of large proportions and as to be expected very comfortable and of the up most quality. Raised on Howards unique walnut turned legs and one out splayed with the stock number, all with the original Cope & Collinson gilt brass casters.

Structurally in excellent condition.

One leg has historic worm as seen in the photos but is strong and only aesthetic, The bowed Stretcher is missing however we put right both prior to restoration.

If you would like this restoring by us in a fabric of your choice please get in touch.
