Victorian country house sofa

Sold

Description

A deep-seated country house sofa raised on turned ebonized legs and splayed legs to the rear all on the original casters.

This sofa comes with a good quality and very country house loose cover in Colefax and Fowler floral linen.

It is also a very attractive sofa that would be perfect upholstered in a fabric of your choice.

If you would like this chair by us in a fabric of your choice, please get in touch.
