REF: 1875

Description

Diminutive windsor chair. Bursting with character and charm. As the photos show the frames all kind of crooked. Maybe this has happened over time or as I like to think it was made that way, either way it looks great and really adds to its charm. All the legs sit square to the floor.

59cm wide
84cm high
35cm seat height
47cm deep
