

DESIRED EFFECT ANTIQUES

Windsor chair of petite proportions 19th century

Sold

REF: 1875

Description

Diminutive windsor chair. Bursting with character and charm. As the photos show the frames all kind of crooked. Maybe this has happened over time or as I like to think it was made that way, either way it looks great and really adds to its charm. All the legs sit square to the floor.

59cm wide

84cm high

35cm seat height

47cm deep
