19th century mahogany bank of 16 worktop apothecary drawers

Sold

Description

A very attractively worn mid 19th century bank of apothecary drawers. The mahogany drawers encased by a long dovetailed pine carcass and its original back. A well used piece that does show its age with various losses such as the sides and a few broken pulls which have worn smooth due to use. We can repair it though should you prefer at additional cost.

Ideal for use on a kitchen worktop.
