Large 20Th Century Oak Collectors / Museum Drawers

Sold

REF: 1367

Description

20th century oak collectors / museum drawers by crews & sons with brass label holders. A large and heavy item with good sized useful drawers. The left side has very slightly warped with shows a little gap but the drawers run well when all in place (see image 3). The door trims are damaged at the bottom however I will have my restorer repair the door fronts before they leave me at no extra cost. 59cm deep 137cm wide 114cm high
