Width: 150 cm (59.1")

Depth: 48 cm (18.9")

Description

A 19th century pine dresser in a dry and crispy Ebonized finish with the original glass doors. The inner of the cupboard with a shelved interior painted off white. The base with 2 doors which have shelved interiors flank 3 drawers which have the original ceramic knobs. Structurally in good order with obvious signs of wear which we find to be quite attractive.
