Sold

REF: 2624

Height: 75 cm (29.5")

Width: 154 cm (60.6")

Depth: 154 cm (60.6")

Description

A scarce 19th century probably 'estate made' wrought iron, Blacksmith made strapwork tree table. The 2 halves link to become one with a central hole to fit around a tree. Raised on 6 scrolled legs. The rings around the top are riveted to the sub structure and the whole has taken on a wonderful patina with remnants of old paint. Overall in good tight order with one scroll having being a little bent out of shape.
