Antique mahogany side table with later paint

Sold

REF: 1753

Description

A well proportioned mahogany side table with later decorative painted details to the front and standing on slender turned legs. Nicely worn over time with dints and minor scratches as you might expect. Reputedly used in a jewelry shop which is why it has the decorative gold paint.

It's the perfect hight to be used as a desk!

50cm deep
97cm wide
75cm high
