Antique moorish mother of pearl side table

Sold

REF: 1786

Description

A good sturdy little hexagon table with mother of pearl inlay and the moorish star to the top. C1890 retailed at liberty, London The table does show signs of historic wooden but it's been well treated all the same, it's hard to see with the frame being ebonised.. a few losses of the pearl inlay too, please view the images carefully!
