Description

A Georgian pine scullery table in its original simulated golden oak grained paint and 2 plank top. The 2 wide drawers run the full depth of the table and run well. In all but original condition with a dry and beautifully worn surface. We have changed the drawer pulls with a set of 19th century period fruitwood turned knobs. The top currently is unrestored and we feel attractive with old paint throughout. We can strip it back and refinish it to suit if required. 54cm knee height
