## DESIRED EFFECT ANTIQUES

## The Cavalier Tufted Country House Footstool

£ POA

REF: 1385

## Description

The Cavalier Footstool.

- .The frame is handmade in thick cut beech and raised on unstained walnut legs. A variety of other timbers and finishes is also available.
- .The casters are lost wax brass cup cast from 19th century originals with an antique finish. These can also be in polished brass for a more refined look.
- .The upholstery boasts a thick feather tufted top for maximum luxury and comfort.

Price. 2200 plus fabric.

Meters of fabric to be concluded once I know the size you require. The one shown here is 1m x 1m and needed 4 meters of fabric
