Description

A wonderfully carved marble statue of a young girl in mourning holding flowers. Aged to perfection and weather worn in places such as the fingers toes and nose. The green to the rear could be removed if you wish, I have left as I think it adds to its charm. She does have some toes missing from her left foot as seen in the photos but overall in good solid condition.

This is a genuine antique hand carved marble statue and is extremely heavy. I would advise a two man lift at all times.

29cm wide
29cm deep
75cm high
