

DESIRED EFFECT ANTIQUES

19th century deep seated armchair with marquetry legs

Sold

Description

A very well formed 19th century deep seated country house armchair raised on marquetry inlaid walnut legs both at the front and back and all with the original Cope & Collinson brass casters.

A good solid chair of the utmost quality throughout and just in need of upholstery.

As with all my upholstered seating I do offer upholstery should you wish.

78cm wide

100cm deep

82cm high

31cm seat height
