Description

A wonderful mid 19th century slipper chair by Gillows of Lancaster. Raised on walnut legs with the original Cope & Collinson gilt brass casters and retaining its original buttoned upholstery and fabric. Structurally in good solid order The fabric is original and does show obvious signs of wear with some repaired tares to the fabric as you may expect with 150 years of use. We love it as it is but we do offer upholstery if you would like it in a fabric of your choice.
