Description

A shapely 19th century 2 seater tub back sofa by Hampton & Sons of Pall Mall - London. Raised on walnut legs and stamped casters. The sofa stands firm and the joints are good and tight. It also retains its original innards to the back with the seat having been replaced. The right front and back legs are both damaged presumably by being accidentally dropped whilst being carried at some point. Both legs will be professionally restored before it leaves. As with all our upholstered seating we do offer upholstery should you wish. 40cm seat height
