Description

A good quality 19th century chaise lounge by Howard and sons - London. Large in scale and raised on 4 beautifully turned walnut legs with all 4 original H&S stamped ring turned gilt brass casters.

As the upholstery is in good clean condition I have decided to leave it on. The original buttoned filling is good inside both seat and arms which also bears the original monogram lining.

As with all my upholstered seating I do offer upholstery should you wish to change. Please get in touch to find out more.

Structurally in good solid order.
