19th Century Howard & sons tub chair

Howard & Sons

Sold

Description

A very good quality 19th century armchair by Howard & sons of Berners street London.

Raised on square tapered front legs and the back left leg stamped with both numbers and the makers name. All 4 castors are original and are too stamped Howard and sons.

The price includes full upholstery in a fabric of your choosing minus the cost of the fabric. We can source H&S ticking.
