Antique country house chesterfield sofa

Sold

Description

A large scale country house chesterfield sofa raised on chunky mahogany turned front legs with large brass cup castors and splayed legs to the rear. Nice unusual shape having a slight arch to the back a serpentine front edge. Horse hair stuffed throughout and the springs all in good order. Currently upholstered in a green/grey silk fabric with green piping. in good clean condition and very much ready to use if you like the look. Alternatively if you would like this sofa but in a fabric of your choice please get in touch.
