English regency library armchair c1830

Sold

REF: 1310

Description

A good quality early 19th century armchair raised on turned faux rosewood legs and very unusual brass stiletto cup casters with a 4 inch cup.

For upholstery.

The back leg has a repair that will be put right before it leaves unless you would prefer to use your own restorer to do the work.

As with all my upholstered seating I do offer upholstery should you wish.
