George IV regency wing back arm chair C 1820

Sold

Description

An extremely comfortable grand scale George IV regency wing back arm chair, C 1820. Sitting on turned walnut front legs with large brass spoked castors. Traditionally re-upholstered around 30 years ago then put into storage until recently so the fabric is in excellent condition which is why I have decided not to strip it back.

We can have this professionally recovered for you in a fabric that suits your interior if you wish, this will cost approximately £300 plus fabric. Turn around time on this will be 3 to 4 weeks
