Depth: 145 cm (57.1")

Description

A rare early 20th century reclining daybed by Howard & Sons, London - England. Raised on 4 turned walnut legs with the original stamped brass casters. The left back leg bearing the serial number and the ebonized stretcher rail retains the original Howard & Sons paper label. Structurally in good solid order. The back reclines by lifting a catch on the out side back that has a number of notches that set the back at different levels. It retains its original horse hair innards to the back and wings. it also has the original down filled seat cushion and seat. As with all our upholstery piece we do offer upholstery should you wish. We can supply a reproduction H&S monogrammed ticking
Seat Height 45cm
