Description

A rather well drawn George III wingback armchair of large, wide country house proportions. A great shape with wide out swept, pointy wings and a particularly wide seat. English c1800

It's a bit of a take your pick with the upholstery on this one. Shown here in the 1st image in a striped and floral slip cover. This covers another striped fixed cover with pastel tones and both in good clean and ready for use condition.

Structurally in good order and retailing its original horsehair squab cushion.
