Huge Georgian wingback armchair c1800

Sold

Description

A huge late 18th century and later wingback armchair. Raised on outplayed elm back legs with mahogany legs to the front. A very tall back with deep wings.

For upholstery and light restoration.

The front H stretcher is missing but this can be fixed by us if required when the upholstery is being carried out if you decided to have the work done by us.

As with all my upholstered seating I do offer upholstery should you wish.
