

DESIRED EFFECT ANTIQUES

Large 19th century open armchair

Sold

Description

A large 19th century Open armchair in the style of Holland and sons. Of large generous proportions and in good solid condition. The casters are I think original and leather which does look worn, The casters could be changed.

For upholstery

Both back legs have the identical repairs. Both are structurally solid with no issues other than visual.

If you would like the chair upholstered by us in a fabric of your choice please get in touch
