Description

A very comfortable large deep seated country house armchair. Raised on 4 bun feet with brass casters. English c1920 Currently shown here with a loose slip cover and the original fabric beneath which are both in tatty condition and ideally would need changing. The seat and back cushions seem to be newer and are super soft and most likely down filled. As with all our upholstered seating we do offer upholstery should you wish and we can have a slip cover made also. 40cm seat height
