Late 19th century chesterfield sofa

Sold

Description

An unusually shaped Late 19th century chesterfield sofa. Raised on 4 turned mahogany legs and casters. One back caster has been replaced, not by us. Upholstered in a white linen type material with a buttoned back and feather cushions which can be left on or used without.

In good order with very little use as its been used in a guest room by the previous owner.

As with all my upholstered seating I do offer upholstery should you wish.

175cm wide

75cm deep

70cm high

37cm seat height without cushions.
