REF: 1690

Description

A very elegantly shaped curved georgian sofa with old bracket repairs and some historic worm in places. It's not perfect but it's a survivor and quite a rarity with the curved construction. There is slight flex when moved however firm when grounded.

If you would like this sofa upholstered in a fabric of your choice please gen in touch. The current fabric is in good clean condition and perfectly usable as is.

196cm wide
87cm high
70cm deep
