

DESIRED EFFECT ANTIQUES

Regency armchair with rush seat c1830

Sold

REF: 1850

Description

A wonderful example of a regency arm chair. Showing much of its original terracotta and gilt paint with just the right amount of wear.

The rush seat is sound but there is some flex to the joints however the chair is good to use.

58cm wide

48cm deep

85cm high

43cm seat height
