Victorian country house deep seated easy arm chair

Howard & Sons

Sold

Description

An extremely comfortable Victorian deep seated easy arm chair in the Manner of Howard and sons. Sitting on good quality turn legs and full brass castors. The chair is in usable condition as is however it is a little worn in places as you can see in the images. There are two small tares to the front of the arms on the seat too so upholstery is recommended. We can have this done for you should you wish for an extra charge, alternatively you can use your own.

Please get in touch prior to purchase if you would like the upholstery done by us.
