

DESIRED EFFECT ANTIQUES

Victorian country house leather club armchair

Sold

REF: 1692

Description

A late Victorian leather armchair in tired and tatty condition with various rips to the leather, raised on walnut turned legs and original wooden castor's (one twisted please see photos). It is however very comfortable and a great shape and perfectly usable if you can live with wear or possibly just looking for a chair to sit looking pretty in the corner.

88cm wide

98cm deep

90cm high
