Description

A large William IV deep seated country house armchair. Raised on simulated Rosewood legs with brass casters. Currently upholstered in thick pile thread bare red velvet and retaining the original horsehair filled squab seat cushion. Structurally in good solid order. The velvet is presentable with some wear and threadbare in a few spots mainly on the arms. We do offer upholstery on all our upholstered seating if you would like to change this for a fabric of your choice.

Seat Height 39cm
