Description

An 18th century Welsh 'Llanrwst' oak dresser and rack c1780. The spindles in the rack were to keep bread and cheese fresh which is why they are often referred to as bread and cheese dressers. The 2 bottom doors open to reveal a large single full length cupboard that runs behind the 3 bottom faux drawers. The upper rack with shelves and a decorative shaped cornice with the back boards and cupboard interiors retaining the original scumble paint. Overall in good order and very much ready for use.
