REF: 2656

Height: 39 cm (15.4")

Width: 57 cm (22.4")

Depth: 57 cm (22.4")

Description

A 19th century riveted copper. In really good shape as though its not had much use. The Verdigris patination appears to have been later added and the copper may well have been polished at some point in the past. These work well as either interior or exterior planters or as log bins next to a wood burning fire.
