

DESIRED EFFECT ANTIQUES

antique 19th century solid oak chest of drawers

Sold

Description

A very attractive large 19th century solid quarter sawn oak chest of drawers. From Carse Grey country house estate in Dundee Scotland.

They come in good used country house condition and have undergone some light sympathetic restoration to bring them back to life. Please see the photos to form a better understanding of there condition. Overall a good clean set and very much ready for use.

118cm high
111cm wide
52cm deep
