

DESIRED EFFECT ANTIQUES

Antique pine drawers in a faux rosewood grain

Sold

REF: 1858

Description

19th century pine chest of drawers of generous proportions and covered in the most wonderful rosewood combed grain.

2 over 3 graduated drawers with a key present that works all the locks.

Good solid example, as you would expect this is an old piece of English Victorian furniture so it does show signs of wear which I think overall adds to its charm and authenticity.

111cm high
111cm wide
52cm deep
